Re: Extension of last date for submission of Tenders for AMC of UPS under Bhopal RO of TNIACL.

This is with reference to e-tender notice no. ITD/AMC UPS/2017/07 published dated: 14/July/2014 on The New India Assurance Co. Ltd. website for AMC of UPS for Madhya Pradesh region. This is in continuation of the tender that the last date for the submission of tender extended to 4/Aug/2017. But still no new tender has been received except two previous tenders. Now again we are extending last date of submission of tender for one week i.e. 16/Aug/2017. All other terms and conditions remain unchanged.
