They are also mulling to extend such insurance to the affiliated workers like drivers and cleaners , loaders and associated helpers.

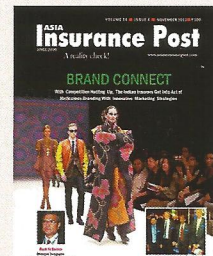

In a novel initiative in general insurance industry, New India Assurance(NIA), the largest general insurer in the country and oil major BPCL entered into an MOU to provide a package of three key policies to the latter's registered transporting contractors

The online facility developed and delivered by NIA would enable the registered transport contractors of BPCL to take a Carrier's Legal Liability Insurance , a Public Liability (Act) Insurance & Motor Insurance at special prices , make payment online and receive the digitally signed policy in soft forms.

The MOU was exchanged at Mumbai between S. Ramesh, executive director of BPCL and G Srinivasan, CMD., NIA

Ramesh , while speaking at the occasion pointed out that this innovative endeavor will make insurance a very easy proposition to thousands of their transport contractors. BPCL, he added, is contemplating to extend this facility to others . They are also mulling to extend such insurance to the affiliated workers like drivers and cleaners , loaders and associated helpers.

Srinivasan, assured the BPCL, that they are eager to reach out to the transport sector through such IT enabled services, which will help the insurance to penetrate more into the uninsured segment of the sector, like uninsured vehicles.
