Re : Approval for extension of the period for E-Tendering (NIAEPROC/364 dated 09.04.2026) of commercial space on lease at Sion area for MBO-113703.

With reference to the approval from the Competent Authority dated 13.04.2026, we have received only two e-tenders within the specified timeframe for the commercial lease at the Sion area (MBO-113703).

In view of this, we request approval to extend the e-tendering time limit by an additional 10 days i.e. From 05.05.2026 to 14.05.2026 on our company's website.

Recommended for your approval.
