

## **New India Assurance to open desk in Dubai**

A top government-owned Indian general insurance company will open a reinsurance desk in Dubai to enhance both its business prospects and presence in the Gulf region. New India Assurance said it will open the reinsurance desk at its Dubai International Financial Centre (DIFC) office. Chairman and MD G Srinivasan said the opening of the desk will enhance business prospects from GCC and add to the company's global reinsurance business to the tune of \$250 million. "GCC is a very important part of NIA's global operations and as a long-term player in the region we continue to build our business in a stable manner,"
